V. Devassy of the South Indian Bank Limited.

**BEFORE THE ALL INDIA INDUSTRIAL TRIBUNAL (BANK DISPUTES),
BOMBAY**

COMPLAINT No. 3 of 1952

Shri T. V. Devassy, c/o South Indian Bank Ltd., Colmbatore—

Complainant.

Versus

The South Indian Bank Ltd., Trichur.—

Opposite Party.

AWARD

This is a complaint under Section 33A of the Industrial Disputes Act, 1947. The grievance of the employee is that the Bank passed an order dated 31st August 1951

transferring him from Trichur to Alleppey without his previous knowledge or consent. This, he alleges, was by way of punishment for organising a Trade Union of the employees. It is stated that before the complainant started for Alleppey another order dated 10th of September 1951 was served on him that he was transferred to Colmbatore. This transfer order also is alleged to have been made without the previous knowledge or consent of the employee. His prayer is that the Bank should be directed to transfer him back to Trichur and give him compensation. This complaint was received on the 20th of February of this year. As the complainant did not give particulars as to when the transfer was effected before or after the 5th of January 1952, the date of the constitution of this Tribunal, and the pendency of the proceedings before it, the party was asked to file an affidavit as to the exact date when he joined duty at Colmbatore. He was informed that this affidavit should reach this Tribunal on or before 4th March 1952 and that if the same is not received it will be presumed that the transfer has taken place before January 5th, 1952 and the Tribunal may have to pass orders rejecting his complaint for want of jurisdiction under Section 33A. A copy of the above letter was also sent to the Commercial Employees' Association, Madras through whom the complaint was forwarded to this Tribunal.

2. No affidavit setting out the date as to when the party joined duty at Colmbatore under the order of transfer dated 10th September 1951 has been received. It is legitimate to infer that the transfer order took effect before the 5th of January 1952. Under these circumstances this Tribunal is of opinion that there has been no contravention of the terms of Section 33 of the Act. Our award therefore is that this petition be dismissed. It is accordingly dismissed.
